### Family Camping

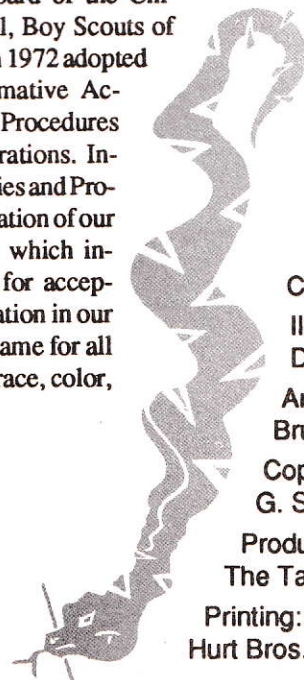

Camp Reneker is just the place for the other members of your Scouter's family, while the Scouter's at camp!

Camp Reneker offers a family centered program aimed at the non-Scout members of your family. Often referred to as that rustic cabin summer resort, Camp Reneker offers a wide range of program options including day programs for kids, swimming, tennis, boating and close to some of the best golf courses and outlet mall shopping in the Midwest!!

Each cabin sleeps 4. All boys 11 years and older must camp in their section camp. For the safety of all, pets are not permitted in Camp Reneker!

The Executive Board of the Chicago Area Council, Boy Scouts of America, in March 1972 adopted the Federal Affirmative Action Policies and Procedures for all of our operations. Included in the Policies and Procedures is the operation of our camping program which indicates that rules for acceptance and participation in our programs are the same for all without regard to race, color, or national origin.
